DETAILED ACTION

1. Applicant's election without traverse of Group I in the reply filed on July 15, 2004 is acknowledged. The restriction requirement is made FINAL.

2. The timely submission under 37 CFR 1.129(a) filed on July 15, 2004 is not fully responsive to the prior Office action because a single ultimate composition was not elected. Examiner recommends that applicant choose an example from the specification for initial search and examination. Since the submission appears to be a *bona fide* attempt to provide a complete reply to the prior Office action, applicant is given a shortened statutory period of ONE MONTH or THIRTY DAYS from the mailing date of this letter, whichever is longer, to submit a complete reply.
